## Little Fawns

Play-based learning for 2 and 3 year - olds at Inglewood Community Nursery and Infant School

### Where Everyone Matters

At Little Fawns we offer a safe, caring and creative learning environment for your child with lots of opportunities for outdoor play and exploration.

**2 and 3 year funding accepted**

**Contact us to see if you are eligible.**

***Little Fawns, where your child is at the heart of their own learning.***

We aim to build a really strong relationship with you and your child from day one so that we can support your child to thrive. Our highly skilled and experienced staff provide a curriculum which is broad, balanced and yet individual. We support your child's development through play based experiences, focusing on their own interests as we work alongside your child to extend their communication, language, social and emotional learning. Our environment offers open ended resources which can be whatever your child wishes them to be, Our large outdoor area also provides many additional opportunities to support your child's physical and creative development.

***High-quality childcare for two and three year olds at unbeatable prices***

Inglewood Community Nursery and Infant School is committed to providing a quality education for all the children living in our local area. We believe that all children, including those identified as having special educational needs and/or a disability (SEND), have a common entitlement to an academic and social curriculum, which is enabling, accessible and offers challenge.

Little Fawns' learners also take part in all aspects of wider school life such as music sessions and P.E. in the school hall, walks, in and around school and the local area and school events, such as Big Lunch and Red Nose Day . This also supports your child's transition into nursery and school settings.

**At the beginning of your child's learning journey with us, we offer 'Settling In'.** This is where you and your child meet members of our friendly team during a home or garden visit and together we introduce your child into Little Fawns gradually. Your child's settling in period will be individually tailored to your family's needs.
