## Parent Emails

Don't forget to check your email for our parent share observations. If you are not receiving these, please let a member of staff know.

## Parent / Carer Meetings

Thank you to those of you who attended the meetings at the end of last term. These meetings are an important part of working with you in partnership to provide the best learning opportunities for your child. It is a great opportunity for you to discuss your child's progress and for us to find out what your child enjoys doing at home. From these meetings we are able to set specific next steps and work together to achieve these.

## Welcome back!

We hope you all enjoyed the recent holidays. The children have enjoyed catching up with their friends and sharing news about their time off.

This half term we will be developing our knowledge and understanding of spring, looking closely at new life and observing the life cycle of butterflies. We will be finding out what some people believe and how they like to celebrate. We will be following the children's interests and linking these to a wide range of learning experiences and opportunities.

Later in the term we will begin talking about the move to Reception and preparing the children for this transition.

## Nursery Sessions

Our morning session finishes at 11:45 a.m. The afternoon session finishes at 2:45 p.m. or 3:15 p.m. Please ensure you are on time to collect your child, as if you are late collecting your child you may be charged. Nursery fees should be paid in advance of sessions attended at the main office.

## School Dinners

You must inform a member of staff if you wish to change from packed lunch to a school dinner. If we are unaware that your child would like a school dinner we will not order one for them. All school dinners must be paid for in advance at the main office

## Polite reminders

Please ensure **all your child's belongings are named** - including lunchboxes. It is very difficult for us to return lost property when items are not named. Please remember to check your child's message box daily, as this is where you will now find their art work.  
If any of your personal details change, such as phone number, address or emergency contact, please remember to inform the school office.

## Home learning

Thank you to those of you who returned your child's home learning. It is lovely to see what you have been doing at home. We will be sending some more challenges home this term.
