Parent / Carer Meetings

There will be an opportunity later in the autumn term for you to meet with your child's key person. These meetings are a really useful way to find out how your child is doing at nursery and sharing what their next steps are. If you have any worries, questions or celebrations, please don't hesitate to discuss these with your child's key person at any time.

Welcome and Welcome back!

Welcome to your child's pre-school year in Owls and welcome back to those of you returning after the holidays. We hope you have all had a lovely summer and we look forward to hearing all about your holidays and adventures!

This half term we will be learning all about 'Ourselves', so please could your child bring in a photograph of their family to share with us?

Morning Routine

When children arrive in the morning, please support and encourage them with their self- registration. Each child has an owl with their name on in their key group area. Please help your child to find their name and put it up on the board. Your key person will show you where this is. Once they have completed self- registration, your child may begin their independent learning. Thank you for your help with this.

WOW Moments

WOW moment slips will be handed out next week or are available from the parents' information board. This is a way of telling us what fantastic things your child has been doing at home - such as: they can ride their bike, they can use the toilet independently, they dressed themselves etc.... Please share with us anything you are proud of including pictures and photographs.

Polite reminders

Please ensure **all your child's belongings are named**, including lunchboxes. It is very difficult for us to return lost property when items are not named. As we use the outdoors in all weathers, it is important that your child has a pair of named wellies to keep in school. Please discourage your child from bringing toys into nursery,

Thank you all for your understanding whilst maintenance work is carried out in Little Fawns. We realise that it is a bit of a crush at the front of school but thank you for your patience.

Your children look very confident and happy as they walk round school and it is great that they have got off to such a good start.
