Information

Please continue to fill in the **WOW** moments for your child's learning at home. These are available in the corridor on the parents' board. **Superstar books** are available in your child's key worker area. Please look at the books to find out what your child has been doing.

Please continue to look at the school **website** where we have a class page. We will update this with information and pictures of the children's learning. If you have any questions about your child's learning, any celebrations or worries, please speak to your child's key worker.

Thank you.

Our topic

We will begin this half term reading the story 'The Disgusting Sandwich' and reading stories about birthdays. This has been a huge interest in the nursery.

We will explore Fathers' day and discuss what our Dads and Grandads do for us.

The rest of the half term we will be exploring travel, the seaside, and going with the children's interests.

We will be focusing on lots of number recognition, writing numbers and 1:1 counting of objects. The children will continue to practise writing their names, hear and recognise sounds and develop their letter formation.

Home Learning

Once again a HUGE thank you for the participation in the home learning challenges. The photographs, crafts, pictures and writing were lovely to look at.

The last home learning will be sent out soon.

Afternoon Nursery Tuesday 20th June

Nursery will be **closed** on Tuesday 20th June for the morning children and Friday 23rd June for the afternoon children.

If parents would like to volunteer as a helper please see your child's key worker. If we have too many helpers, the names will be picked randomly.

Another busy half-term ahead! I also enjoy looking at the Superstar books and at all the home learning challenges.

Thank you for your support in your child's learning journey this year.

Hope to see you at lots of the school events this term and fingers crossed for good weather for the Gincase trip!
