Inglewood Community Nursery and Infant School PTFA Newsletter 2019

We would like to thank you all for your continued support this year.

The total profit we have raised this year is a staggering £1714.00. Thank you so much!!

After asking the children in all year groups, they have voted for more time to bake and cook. To facilitate this we have replaced the oven and hob and updated the facilities in the Food Technology room. We will also be adding some more baking and cooking books to the collection and replacing some of the cooking equipment.

Picnic Day and Art Exhibition Sale– Wednesday 10th July

There will be an exhibition of class craft activities from 10th July starting at 1pm. All items can be purchased and taken home on Monday 15th July.

Playground markings

New yard marks have been chosen for the playground, but due to the bad weather, we have not been able to go ahead with this yet. This will hopefully be happening over the summer break.

Taylor Wimpey Donation

The house builder, Taylor Wimpey, have kindly donated £250.00 towards our PTFA. This money will be used to fund outdoor equipment.

Come and join us…..

If you would like to join our PTFA, please contact the school office on 558774 for further details.

Professor Pumpernickel

On Thursday 18th July, Professor Pumpernickel will be showcasing a spectacular science show for our Reception, Year 1 and 2 children.

His shows are widely popular throughout the UK and we look forward to welcoming him to our school.

Year 2 Movie Night

The children also asked to visit the cinema more often. As this isn't possible, we have joined the Into Film Club and we will be running a regular cinema night in school. Further details to follow.
