Rights Respecting School Clubs and Activities

As part of our journey towards becoming a [Rights Respecting School](#), we have begun with Article 29.

‘Education must develop every child’s personality, talents and abilities to the full.’

Your Reception, Year 1 and Year 2 child has chosen a club or an activity to take part in. On the first Wednesday afternoon in each month, all the classes mix and the children learn with each other. Our first afternoon was a great success. Children chose between being a member of School Council, Eco-Committee or Choir, or becoming a sports leader, or exploring creative crafts, STEM or computing. Look out for information about our journey and their activities over the next few months.
