**Road Safety**  
 Our children are very happy to come to school and are also very happy to go home again at the end of the day. Sometimes they are running on ahead to get into school or to be home before you. Sometimes they are deep in conversation with you or with one of their friends. Some children cycle and some scoot to school. We want to help you to keep them safe. If you drive to school, please can we ask you drive at no more than 10mph down Mayfield Avenue and try and park there if you can, so that blue badge holders can park on School Road. Please avoid parking and turning where you might put someone else's child in danger. Thanks

**Nursery: September 2018**  
 We still have places available for our Nursery intake in September 2018.  
 If you would like to apply, please come to the school office for an application form.
