Important Notice regarding Milk

Our school subsidises the purchase of milk but due to increasing late and non-payments from parents, from September 2018 we will be trialling a new system. Milk must be paid half termly so that we can order the correct amount. This must be paid on the first week each half term. For example, the first payment in September will be £6.80. Unfortunately, if monies are not paid in this first week your child will be unable to have milk until the following half term. This system will be reviewed termly.

Just a quick note to thank you for all that you have done this year to help your child in school. You will be receiving your child's report on July 11th.

We are always looking for helpers around school, so if you are interested, please see a class teacher.

Miss Boekestein.

Thank you to those who have supported the PTFA this year. You will have seen the new traversing wall in the Year 2 playground. The children are enjoying exploring it. We are on the way to our next piece of equipment.!
