Clubs we offer

Breakfast Club- running from 7.45
Afterschool Club- 3-6pm

Little Owls

A huge welcome back to the children who have been in nursery since January and April. They have come back ready to learn and have adapted to our new routines easily.

A huge welcome to all our new children who have settled really well over the last two weeks.

Please can all permission forms and home information sheets be returned to Little Owls ASAP. If your child has any allergies or asthma, please see your child's key worker so that forms can be completed.

General Information

Please can all the children have a pair of wellingtons in school? The children access the big garden regularly and it is very muddy. Please can all wellingtons be named? Thank you.

Please also name all your child's uniform and red school bag.

PE

PE will be on a Wednesday morning and a Thursday afternoon. We will inform you when the children will start to get dressed and undressed for their PE sessions. For the next couple of weeks, we will be taking the children to the hall to play some simple games and activities.

Our topic

Through our topic of 'Settling In and All About Me' we will be encouraging children to learn one another's names and to develop good relationships with their peers. Within this half term, the children will create a self portrait. Whilst doing so they will be counting body parts, looking at similarities and differences between themselves and their friends. Children will be supported in accessing all areas of Little Owls. We will make our behaviour for learning expectations clear and we establish and reinforce daily routines. We aim to extend children's independence which includes them getting themselves ready for outdoor play, toileting and their own hygiene.

WOW Moments

WOW moment slips will be handed out next week or are available from the parent/ carer information board. This is a way of telling us what fantastic things your child has been doing at home e.g. riding a bike, using the toilet independently, getting dressed, or anything which you think is a success. Please share with us anything you are proud of - including pictures and photographs.

Family Photographs

During the week beginning 2/10/17 we will be talking about our families. Please can you send in a family photograph for your child to look at and talk about with their friends? Thank you.

Parent Share

We will soon be setting up 'Parent Share' where you can access your child's observations from nursery. Please send in your email address so we can begin to set this up. Thank you.

It looks like a busy half term ahead with lots of new routines and playful learning to get used to. Little Owls is always busy and happy whenever I go in, so I can see that your children are settling well! Miss B.
