

Little Owls Newsletter

PE

This half term PE will be on a **Thursday**. We will be working on the large apparatus and dance across the day. We will let Parents/Carers know when a PE kit is needed. At the moment, the children are working on taking off and putting on their shoes, socks and jumpers.

Reminder: Please make sure children's names are in **all items** of clothing and shoes.

Free Flow Snack

Children can access fruit, savoury snacks, water and milk during any point in the day.

Clubs we offer

Breakfast Club- running from 7.45
After-School Club: 3-6pm

Parent Emails

Please can all parent/carers emails be handed to your child's key worker ASAP. We need these so we can set up our 'Parent share' for observations. Thank you

Parent / Carer Meetings

Thank you to all you parents and carers who attended meetings with your child's key worker. These are a really useful way to find out how your child is doing at nursery and sharing what their next steps are. If you have any worries, questions or celebrations, please don't hesitate to discuss these with your child's key worker at any time. The next meetings will be held in a few weeks.

Our Topic

Through our topic of '*Celebrations*' we will be talking with the children about familiar festivities, such as Halloween, Bonfire Night and Christmas. We will be encouraging children to talk about what they do during these celebrations and to listen to others as they discuss their own family customs.

We will also be exploring the 'traditional tale' of *Three Little Pigs* linked to our Little Big Maths.

During this half term we will be working towards the Christmas Nativity with Reception. The children will be singing and dressing up. We will send you more information nearer the time.

Morning Routine

The children in Little Owls are really confident with the morning routine. They are able to select their name and then choose an independent learning activity. Please encourage your child to find their own name to self-register. Some mornings we may introduce an activity for them to complete in their key worker area. Thank you for your help with this.

Home Learning

This half term we will be sending out some home learning for you to do with your child at home.

The home learning looks like a jigsaw and you can pick specific tasks to complete. Please include pictures, photographs and write in your child's home learning book, so we can see the learning that has taken place.

WOW Moments

WOW moment slips will be handed out next week or are available from the parent's information board. This is a way of telling us what fantastic things your child has been doing at home e.g. they can ride their bike, they can use the toilet independently, they dressed themselves etc....

Please share with us anything you are proud of including pictures and photographs.

Your children are always keen to come into Little Owls and to start their independent learning activities. Whenever I pop in, throughout the day, they are all busy learning with their key worker, with their friends or on their own. I expect you have tired children at the end of the day! Thank you for all your support in helping them to achieve. Miss Boeckstein
