Parent Share

We send you Parent/Carer emails which include observations of your child. You are able to reply to the emails but, if you have a question, please see your child's key worker as we are unable to reply back to you. Thank you.

If you are not receiving our emails, please let us know ASAP.

We hope that you find these newsletters useful, as we try to put in dates and information about all our learning and any events that are happening in our nursery.

Our Topics

This term we will begin learning about farms. We are going to be exploring the names of animals and their young and the jobs that need to be done on a farm. Following the children's interests we will be looking at 'The Gruffalo' for a week and then we will begin our new theme of Monsters!! We have lots of exciting activities planned and lots of new books to read.

The caterpillars have arrived! Due to the snow and cold weather they were unable to be delivered last term. Let's hope this warmth and sunshine continues for a while, so that we can see what happens to the caterpillars.

During morning/afternoon routines, some children will now be asked to find their name card and write their name on the back to self-register.

A HUGE thank you to everyone who took part in the Easter challenge. We had lots of entries and we know it was very hard for the judge to pick some winners. There were lots of fantastic ideas and lots of effort went into these.

Spare Clothes

Please can all children have spare clothes, named and in their school bag. We do lots of activities in nursery where they sometimes get wet or messy and therefore need to have a change of clothing. We have limited spares in the nursery. Thank you.

Home Learning

The home learning challenges will be going out again this half term. Please support your child in completing some of the challenges. These will help and support your child in different parts of their learning.

Any questions about these, please ask. Can all books please be returned to your child's key worker ASAP to prepare them? Thank you.

Again, another busy half term for our Nursery children with lots to look forward to! I wonder how the caterpillars will get on, as they are being very well looked after.

It is also exciting that preparations for our new building start on Monday 23 April. Please be aware of the building site that will appear in the school car-park and stay safe.

Enjoy the sunshine! Miss Boekestein
